

RAFFALDINI VINEYARDS®

*Chianti in the Carolinas®*

## **Raffaldini Vineyards Private Label Tour**

*\*For groups of 10 or more. Must be booked 2 weeks in advance.*

The ultimate behind-the-scenes tour for your group! Experience the creation of a bottle of Raffaldini wine from start to finish. Your Raffaldini Vineyards Private Label Tour will begin at the winery. Upon meeting your Private Label Tour Guide, you will be led through the process of what happens to the grapes from harvest until they are transformed into a bottle of wine. You will then continue with a tour of the vineyards to see where the grapes came from along with an explanation of the different varietals grown in the vineyards. This will be followed by a private wine tasting at Villa Raffaldini where you will taste exactly how the grape varietals are blended to create Raffaldini Vineyards award-winning wines. After your private wine tasting, your personal attendant will leave you and your guests to enjoy a luncheon, either on the piazza by the water fountain or indoors on the second floor of Villa Raffaldini. Upon occasion, schedule permitting, a member of the Raffaldini family will lead the Private Label Tour.

*Private Label tours are \$50 + tax per person, 10 guest minimum and includes the private tours, wine tasting and lunch.*
